

## COMPLETE REPAIRS ON ZIONS CHURCH

Evangelical Edifice to Reopen  
Following Extensive  
Alterations.

Today marks another milestone in the history of Zion's Evangelical church, Wayne and St. Peter's sts., when the church, which has been closed for extensive repairs, will be opened again for services.

In 1888 the cornerstone of the present church was laid. At that time the membership was comprised of about 20 families. Under the leadership of the late Rev. M. Goffney, the congregation grew to such proportions, that soon it became necessary to enlarge the church. Since that time the congregation has had a steady growth until today it has 247 families or 858 souls.

During the 32 years of the congregation's existence, 1,728 children were baptized, 867 were confirmed, 1,644 persons were buried, 587 marriage ceremonies were performed and more than 18,000 partook of Holy communion.

At the present time the work in the congregation is being carried on by Rev. W. Goffney, son of and successor to the late Rev. M. Goffney. During the four years of his pastorate the Sunday school has increased to such an extent that it was necessary to enlarge the old school building. This has been done so that the Sunday school now meets in a building that is modern in every respect. Class rooms have been provided for practically all the departments. The enrollment at the present time is 320, a hundred percent increase in two years.

Extensive alterations have also been made in and about the church. The entire front has been rebuilt, a new emergency exit added and many minor changes made. The interior of the church has undergone a transformation at the hands of experienced decorators, under the direct supervision of the noted artist and decorator, Mr. Biegel of Chicago.

The changes that have been made are the last possible step in the line of expansion and alteration. Services this morning will be conducted in German. Rev. E. Schmidt of St. Joseph will be the speaker. The evening service, beginning at 7, will be conducted in American. The speakers are Rev. Seen of Bremen, Ind., Rev. Bratzel of Laporte, Ind., and L. M. Hamerschmidt of this city.

## WILL DISCUSS LIVING COSTS

Discussion of general living costs will engage the attention of members of the Chamber of Commerce at their noon day luncheon next Monday. The speaker will be the speaker for the meeting. The discussion will be based upon a general resume of the recent rental survey conducted by the Chamber of Commerce.

## WHEN HELLER SAYS IT'S OAK, IT'S OAK

## HIGH SCHOOL NOTES

BY ANNABELLE LUCKEY.

Friday morning at 10:45 a special assembly was called to observe Armistice day. At 11 o'clock the entire student body and instructors, faced east and remained standing silently for two minutes, honoring the soldiers who fought "over there" and those who gave their lives. Several patriotic songs were rendered. A. R. MacDonald, an alumnus and now commander of the American Legion, addressed the students on "Armistice Day." Mr. Roop gave a solo which met with instant approval. The solo was entitled "The Home Road." Matilda Christman acted as accompanist. The assembly was dismissed after the singing of "America."

Word coming from Indiana university says that Margaret Geyer and Keith Masters, both honor students of high degree and graduates of the class of 1921, have been taken into the Drama club at the university. It is an honor of merited value as only 23 out of 125 new students were admitted into this club.

The Boys' Debating club have postponed their meeting from Tuesday evening to Wednesday night, Nov. 16. The new members will give their speeches at that time. It was decided that meetings would be held on Wednesday evenings in the future instead of Tuesday as formerly.

The Latin club will meet Monday after school in the Little theater. A Latin dialogue will feature the program, also selections by notes of Latin artists.

It has been announced that "Daddy Long Legs," two-reel comedy, and also a scenic picture, will be displayed Friday evening, Nov. 18. This is the first "movie" to be shown in the school this year. Admission charge will be 10 cents.

A campaign has been started between the different classes to sell single admission tickets to the South Bend-Nicholls football game to be played on Carter field one week from today. Tickets sell for 50 cents and the class selling the most tickets win a two by five foot banner in their class colors.

The different classes have entered into the contest with a zest and it is very doubtful if the seniors will carry away the honors as in the recent Interclub subscription drive. The freshmen are coming in to their own and will give someone a close race for the coveted banner. Teachers have been assigned to handle the tickets for the different classes. They are Mr. Roop for the freshmen, Miss White, sophomores, Miss Grantham, juniors, and Miss Matheny for the seniors.

The Biology club will have its second meeting Monday afternoon in the Girls' Study hall. Dr. Stoltz will talk on "Heredity Environment."

All biology students who wish a unit do not fail to put in an appearance. A bitter debate along this subject was held in the school a few weeks ago and resulted in some hot discussions between the judges, pupils and teacher.

An official victory dance will be given in the high school gym next Saturday evening in honor of the post season clash with Nicholls. As this will be the first dance of this kind since the start of school a few months ago, the affair will no doubt be well attended.

The Sophomores held a class meeting directly after school Friday afternoon.

The Girl Reserve had their first basketball practice in the Y. W. C. A. gym Friday afternoon.
